SEPTEMBER 2018

Welcome to the Autumn Season of Folk Dancing.

WOW! What a summer it has been, and such a change from last year. Thank you to all who have braved the heat and turned up on Tuesday nights, and thanks to all our callers for making their programmes suit the conditions. I don't think we could have survived a night of fast contras!!

We have been treated to some very good outside callers who have put us through our paces which has been very good for us and reminded us to be more considerate of others (I hope) But Summer is not over yet and we still have a few events to look forward to, a walk on 31st July and our Summer party on 28th August. Let's hope that we still have a few more sunny days before the autumn gets here.

FOLK DANCE ETIQUETTE:

SMILE: We dance with everyone in our set, so give a little eye contact & let them think that you are delighted to be dancing with everyone in your set, especially newcomers.

HELP PEOPLE: Gently! If someone looks lost, gently guide them, point discretely or use eye contact. Remember - no one likes to be pushed or pulled.

LISTEN CAREFULLY TO THE CALLER & MUSIC: Walk the dance in time with the caller as he/she explains it. Rushing ahead may confuse everyone. Try hard to dance in time to the music, not in front or behind.

JOIN SETS AT THE BOTTOM: Not the top, unless invited to do so.

CHANGE PARTNERS NOW & AGAIN: This helps to generate the social atmosphere & helps newcomers integrate. At folk dance clubs it is fine for ladies to ask anyone to dance & same gender couples are OK too."

HAPPY DANCING - Looking forward to seeing you all on a Tuesday Evening. Remember to bring a friend.
